NEWSLETTER OF THE GALWAY CHAPTER IRISH WOODTURNERS GUILD

Editor's Corner

Happy new year to all of our Chapter members, I hope everyone fully enjoyed the excess of Christmas and is fully recovered.

The new year promises to be a very busy and exciting time for the Chapter as we begin to put the finishing touches to our exhibition for the NUIG Múscailt Arts Festival on the 9th of February. The scale of the project was daunting at the start of the year but with the commitment of the Chapter members the sails will unfurl in all their glory for the opening of the Arts Festival.

Our next workshop is on Saturday the 10th of January out in Pete's where we will be carrying on with the assembly of the boat, attaching more bowls and getting her ship shape.

Finally I would like to thank Colin Becker for all the hard work he has done over the past few years as Chapter Editor and also welcome Brian Callan as our new Librarian.

Kris Kringle Pieces

A small selection of the Kris Kringle pieces presented on the night. Apologies to those that I missed on the night.
